# WORKSHOP CO-FOUNDER DOCK CRANDELL

Said: "LET NO MAN BE TURNED AWAY FROM THE WORKSHOP BECAUSE HE CANNOT AFFORD TO GO!"

The Atlanta Men's Workshop was founded by the late Dock Crandell of Roswell, Georgia in 1982. Dock had already started a similar workshop in Germantown, Ohio and wanted to share the miracle of this great weekend with his AA friends in Atlanta. It was one of the many ways that Dock found to "Pass It On!" In the years since the founding of the Workshop, thousands of men in recovery have attended and grown in their sobriety as a result. Dock never wanted any many to be turned away from the Workshop because he could not afford to go. Dock died in 1985 while on a 12<sup>th</sup> Step Call, but the Workshop and the dream lives on. Today, it is through the Dock Crandell Memorial Scholarship Fund that we are able to continue to carry the message through scholarships to the Workshop. Many men who have attended on scholarship have returned and helped others to attend. That is the Program in action. Be a part of this grand tradition and make a contribution. You may include it in your registration or contribute separately. Even if your schedule does not permit you attending the Workshop will you help someone else?

## NEED SCHOLARSHIP HELP?

## Thousands have benefitted from The Rock

The Atlanta Men's Workshop was founded in 1982. Thousands of men have enhanced their recovery through these dynamic and powerful weekends of sharing. Leave your expectations at home. This weekend will be like nothing you have ever experienced before. It is magical and uplifting and guaranteed to serve as a "booster shot" to your sobriety.

**HOW DO I GET TO ROCK EAGLE?** It is located about half-way between Atlanta and Augusta just south of Interstate-20. From Atlanta take I-20 to U.S. 441 (Eatonton Exit – Exit 114). Go south approximately 10 miles to a right turn that says "Rock Eagle" and then follow the conference center signs to the Auditorium. You are there!

Rock Eagle 4-H Center is located north of Eatonton, Georgia, adjacent to the Oconee National Forest. Within its nearly 1,500 acres of forested land, there is a 110 acre lake and numerous places to enjoy the outdoors in a relaxed natural setting.
